Places to Go and Things to Do in North Cyprus

Welcome to your directory of places to go in Northern Cyprus and places you might like to visit when you visit in North Cyprus, from North Cyprus restaurants, bars, beaches, groups and also clubs available in Cyprus that you might like to go to and anything we feel maybe of interest to you our visitors. We wanted to create pages all about the many different areas of Northern Cyprus. In order to do this we really needed some help and we were very lucky to be sponsored by the largest independent Estate Agents in Northern Cyprus, Donaghy and Beyler, who our many thanks go out to. Donaghy and Beyler also supplied us so many wonderful images of North Cyprus which we could not help but include in our pages. For us who have lived in Northern Cyprus for many years, they really stopped us in our tracks and made us see the Cyprus that we had been recently taking for granted. So as we promised originally, we feel we can now offer you a full tourist information section of Northern Cyprus on our site. Well that's what you would expect from The North Cyprus Website isn't it?

Tourist Information for North Cyprus

There are Tourist Information Offices in all major towns of Northern Cyprus Plus of course the Hotels, Tour Guides and local taxi's in Cyprus will be able to offer you a good source of information.

The Northern Cyprus Coast

Rocky Coasts, with enchanting coves and long sandy beaches, that's North Cyprus. In Cyprus the average temperature is 24C May to October. Whilst you will find many beautiful beaches, the Hotel beaches do offer and excellent service with places to eat and drink and the provision of umbrellas, loungers, toilets and so on. Plus some Northern Cyprus private beaches offer activities such as water skiing, rides such as the banana and wing, jet ski, wind surfing and scuba diving.

A very prominent feature of Northern Cyprus has to be its range of mountains. Known as the Five Finger Mountains (Kyrenia Mountains) it is a narrow range approximately 130km long and running parallel to the coastline of North Cyprus. It occupies an area of approx 260 sq km. If you are interested in joining a group of walkers you will do no better than to look here [Kyrenia Range Walks](#)

## Walking In North Cyprus

You can imagine that it is far too hot in the height of summer for walking in Cyprus, the best time is spring and early summer and then later in the year October to November. North Cyprus has many trails but some maybe difficult to follow and for this reason we have given you details of Kyrenia Range Walks.
